At Bible camp this year the focus was on realizing worship takes a lot of forms. Bailey and Grace walked away with reinforcement of the promise they have since their baptism. They have a renewed spirit and even an eye opening reminder that they may not be able to replicate the week, they can always go to Christ. The week was filled with experiences designed to develop a Christ based leadership style disguised as fun, so learning is very organic. The meals at Ingram Okoboji were wonderful! They had unlimited food with really good and infinite ranch dressing and cottage cheese for every lunch! They got

to go tubing behind the boat (and may have fallen off once or twice) and paint ball. The accommodations were excellent, and of course...the councilors! Wow-they had some of the best. One came all the way from Australia and one from Mexico! The time there was an inspirational experience and highly recommended for growth, spiritual development, and leadership. Thank You for sending our kids to camp

New congregation who had just gotten into their first church building. The people wanted to put a plaque with a Bible passage inscription the different places of their newly constructed church building. For some places it was easy do decide. For example, at the entry to the sanctuary came the inscription from the psalms 'I was glad when they said, let us go into the house of the Lord' At the baptismal font it read "Go onto all the world, baptizing in the name of the Father, and of the Son, and of the Holy Spirit." At the education wing was posted a plaque with the words from psalm 27 "Teach me thy way O Lord, and lead me" And above the choir room door they put the words from psalm 100 "Make a joyful noise unto the Lord." But when they came to the nursery, no one quite knew which words from Scripture to place there by the infants and toddlers. Finally, after much discussion, they decided on those great words form St. Paul's letter to the Corinthians, "We will not all sleep, but we will all be changed"
